

STEP 1: EXAM GUIDELINES

To obtain your Site Safety Manager Certification, you **must** meet the following qualifications:

- Be at least eighteen (18) years old
- Be able to read, write and understand the English language
- Be fit to perform the work authorized by the particular license
- Meet one (1) of the six (6) qualifications listed in the table on the last page and be able to provide the required documentation to verify that qualifying experience
- Have completed a [Department-approved Site Safety Manager training course](#) & OSHA course, if applicable
- Have good moral character so as not to adversely impact your ability to perform the duties and responsibilities of a Site Safety Manager

STEP 2: APPLYING FOR THE LICENSE

Candidates **must** pass a written exam in order to become a Site Safety Manager. The candidate **must** complete the exam application ([LIC41](#)).

The candidate **must** submit the application with a \$525.00 written exam fee, payable by **money order only**, to:

NYC Department of Buildings
Licensing & Exams Unit – Exams
280 Broadway, 6th Floor
New York, NY 10007

STEP 3: SCHEDULING YOUR EXAM

After submitting your exam application, you **must** next schedule your exam.

- If your application is accepted, you will receive an email from the exam administrator in one (1) to two (2) weeks with instructions on how to schedule your exam. Exams are given at several different locations in the State.
- The exam is a multiple-choice question test and assesses your knowledge of the rules assuring the safety of the public and property at New York City construction sites.
- You will **not** be allowed to use reference materials during the exam.
- Passing score is seventy (70) percent, if you pass the written exam you will be notified at the testing location the day of the exam.

STEP 4: APPOINTMENTS

To become a Site Safety Manager, you **must** also successfully pass a background investigation.

- After successfully passing the Site Safety Manager exam, you **must** schedule an appointment by calling the Licensing Unit at (212) 393-2259. **Candidates without appointments will not be seen.**

- You **must** bring to your appointment the completed [Background Investigation Questionnaire](#), all supporting documentation of qualifying work and training experience listed in the table on page four (4) with your Employment Verification Forms filled out by your immediate supervisor(s) for all your relevant work experience.
- Examination Score Report Form
- [LIC2](#) application
- [LIC34](#) (if applicable)
- [LIC62: Physical Exam Form](#) **must be completed within 90 days prior to application date**
- [Supplemental Investigation Questionnaire](#)
- [Experience Verification Forms](#) from all supervisors for the years claimed as experience*
- Social Security History of Earnings for the years claimed as experience
*NOTE: There is a fee charged by the Social Security Administration for this service. You **must** request the report to be run by 'company name.' You may request the information by mail or in person (ordinarily you can receive this instantly in person). Visit the Social Security Administration website (<http://www.ssa.gov/online/ssa-7050.html>) for more information.*
- Certified Safety Professional (CSP) designation card and certificate from the Board of Certified Safety Professionals (BCSP) (*if applicable*)
- Photo ID (driver license, learner's permit, State ID, green card, or passport)
- Original Social Security Card
- Original birth certificate, current passport or green card
- Latest pay stub or W-2
- Proof of residence with a utility bill, lease or deed, or bank statement. If the applicant does not have proof of address in his/her name, a utility bill and notarized letter from the person that they reside with indicating such can be submitted
*NOTE: Cell phone bills are **not** accepted.*
- Two (2) passport sized photographs
- 18 months on-the-job training program documentation:
 - Monthly summaries specifying the nature of construction activity engaged at the location each month, completed by supervising site safety manager
- Apprenticeship Course documentation:
 - Certificate of Completion
 - Apprenticeship Completion card, and
 - Course Approval letter from the Department (if applicable)
- Site Safety Manager course certificate
- 30-hour OSHA course (if applicable)
- [Child Support Certification Form](#)
- \$500.00 background investigation fee - for questions pertaining to your background investigation or to find out the status, please send inquiries to licensingbackgrounds@buildings.nyc.gov.

If you fail to answer any questions on your background investigation questionnaire or do not submit all the required supporting documentation (including, but not limited to: social security history of earnings statement, certificate of completion of required course(s), employment verification forms from all employers being used

towards qualifying experience; and copies of your driver's license, social security card and exam report) your background will be returned, delayed or denied

*The employment verification forms from your employers must include the full dates of employment (month/day/year), job titles held, daily duties, specific addresses and time frames for your experience working with major buildings as defined below

*A major building is defined as an existing or proposed building that:

1. Is 10 or more stories.
2. Is 125 feet or more in height.
3. Has a building footprint of 100,000 square feet or more, regardless of height.
4. Is Designated by the Commissioner.

SECTION 5: OBTAINING THE LICENSE CARD

Once you have you have passed the necessary exam and submitted all the necessary paperwork, you need to apply for your Site Safety Manager license.

- If you successfully pass the written examination and the background investigation, you will be notified in writing by the Department's Licensing Unit stating you are eligible to apply for a Site Safety Manager Certificate
- You have one (1) year from the date of that letter to begin submitting the required documents for your license. If you do not complete the process within one (1) year of the date on the letter, you will be required to retake the examination.
- You can make an appointment to apply for a license by calling the Department's Licensing & Exams Unit at (212) 393-2259 between 9:00am and 4:00pm Monday through Friday.
- Application appointments are available Monday through Friday, 9:00am to 11:00am.
